

# VIRTUAL FOOD DRIVE! NOW 'TIL NOV. 20!

**WE NEED OUR MOST VALUABLE PLAYERS!**

San Bernardino County Human Services is hosting a virtual food drive and Department of Behavioral Health (DBH) is invited to participate!

Instead of canned food, they are asking for monetary donations.

For your donation, you'll not only help a needy family, you can also earn a pass to wear your favorite team jersey to work! *NOTE: All other aspects of the DBH dress code policy still apply.*

## To participate:

1. Visit <https://www.capsbc.org/sbcholidayfooddrive>.
2. Provide a copy of the donation receipt to the designated person for your office.

- For a minimum \$5 donation, you can wear your favorite sports jersey to work for 1 consecutive week.
- For a \$20 or more donation, you can wear your favorite sports jersey for 1 consecutive month, max.

**AND...**

the location with the greatest sum of donations at the end of the virtual food drive will enjoy an ice cream social courtesy of your Executive Team!
